Information on the processing of personal data of users of the website

Articles 13 and 14 of Regulation 2016/679 / EU (hereafter also "GDPR")

Why this warning

FILATURA PAPI FABIO S.P.A. (hereinafter also "Company" or "Owner") is committed to respect and protection of your privacy and want you to feel secure both during the simple navigation of the site and in case you decide to register by providing your personal data to use the services made available to its Users and / or Customers. In this Company page intends to provide some information on the processing of personal data relating to users who visit or consult the website accessible by telecommunication from the address www.papifabio.com (the "Site").

The information is provided only for the Company website and not for other websites that may be consulted by the user

through links (for which reference is made to the respective privacy policies / policies). Reproduction or use of pages, materials and information contained within the Site, by any means and on any medium, is not permitted without the prior written consent of the Company. Copying and / or printing for use only is permitted personal and non-commercial (for inquiries and clarifications please contact the Company at the addresses below).

Other uses of the

content services and information on this site are not permitted.

With regard to the contents offered and the information provided, the Company will ensure that the contents of the Site are maintained

reasonably updated and revised, without offering any guarantee as to the adequacy, accuracy or completeness of the information provided explicitly declines any responsibility for any errors of omission in the information provided on the Website.

Origin - Navigation data

Company informs that the personal data you provide and acquired together with the request for information and / or contact, site registration and use of services via smartphone or any other instrument used for access the Internet, as well as the data necessary for the provision of these services, including navigation data and data

used for the eventual purchase of the products and services offered by the Company but also the data only c.d. of "navigation" of the

site by Users, will be processed in compliance with applicable law. IT systems and software procedures used for the operation of this website acquire, during their normal operation, some

personal data whose transmission is implicit in the use of the Internet. This is information that is not collected to be associated with identified, but by their very nature could, through elaborations and

associations with data held by third parties, allow users to be identified as navigators. In this data category the "IP addresses" or the domain names of the computers used by the users connecting to the site, the addresses in Uniform Resource Identifier (URI) notation of the requested resources, the time of the request, the method used in the

submit the request to the web server, the file size obtained in response, the numerical code indicating the status of the response given by the web server (good order, error, etc.) and other parameters related to the operating system and

to the user's computer environment. These data are used for the sole purpose of obtaining statistical information anonymous on the use of the site and to check the correct functioning of the Company website. It is noted that i the aforementioned data could be used to ascertain responsibility in the case of computer crimes against the

Company site or to other sites connected to it or connected: except for this eventuality, data on web contacts are not currently available
they persist for more than a few days.

Origin - Data provided by the user

Company collects, stores and processes your personal data for the purpose of providing the products and services offered on the Website,
or due to legal obligations. With regard to some specific Services, Products, Promotions, etc. Company can treat your data also for commercial purposes. In such cases, a specific, separate, optional consent will be required and always revocable with the methods and the contact details indicated below.
The optional, explicit and voluntary sending of e-mails to the addresses indicated in the appropriate section of the Website,
as well as the compilation of questionnaires (eg form), communication via chat, push notification via APP, social networks
network, call center, etc., involves the subsequent acquisition of some of your personal data, including those collected through the use of App and related services, necessary to respond to requests. We also point out that in case of using the mobile connection to access digital content and services offered directly by
Company or by our Partners it may be necessary to transfer your personal data to such third parties.
We highlight that you may access the Site or connect to areas where you may be able to publish information using blogs or bulletin boards, communicating with others, for example coming from the Company page on
Facebook®, LinkedIn®, YouTube®, and other social networking sites, review products and offers and post comments or content. Before interacting with these areas, please read the General Conditions of Use carefully taking into consideration that, under certain circumstances, the information published can be viewed by anyone have access to the Internet and all the information you include in your publications can be read, collected and published
used by third parties.

Purposes of processing and legal basis

The data are processed for the purposes:

- 1) strictly connected and necessary for registration on the website www.Azienda.it, services and / or Apps developed or
made available by the company, to the use of the related information services, to the management of contact or contact requests
information, for the purchase of products and services offered through the Company website;
- 2) for ancillary activities related to the management of User / Customer requests and sending the feedback that can provide for the transmission of promotional material; for the completion of the purchase order of products and services offered, including aspects related to credit card payment, shipping management,
of the possible exercise of the right of reconsideration foreseen for the distance purchases, the update on the availability of products and services temporarily unavailable;
- 3) related to the fulfillment of obligations under Community and national regulations, to the protection of the order public, the ascertainment and repression of crimes;
- 4) direct marketing, ie sending advertising material, direct sales, carrying out market research or commercial communication of products and / or services offered by the Company; this activity may also concern products
and Company Group Company services and be performed by sending material
advertising / informative / promotional and / or invitations to participate in initiatives, events and offers aimed at rewarding users / customers, carried out using "traditional" methods (for example, paper mail and / or operator calls), or through "automated" contact systems (by way of example SMS and / or MMS, telephone calls without operator intervention, e-mail, fax, interactive applications), pursuant to art. 130 c. 1 and 2 of Legislative Decree. 196/03 and s.m.i .;

The provision of data for the purposes referred to in points 1), 2) and 3), connected to a pre-contractual and / or contractual phase

that is functional to a user request or required by a specific regulatory provision, it is mandatory and, in defect, it will not be possible to receive the information and access the services requested; relative to point 4) of this information, the consent to the processing of data by the user / customer is instead free and optional and always revocable without consequences on the usability of the products and services except the impossibility for

Company to keep up-to-date on new initiatives or on particular promotions or available advantages users / customers.

Company may send commercial communications relating to products and / or services similar to those already provided, pursuant to

of Directive 2002/58 / EU, using the e-mail coordinates, or paper ones, indicated by you occasions to which you can oppose with the methods and to the addresses below.

Methods, treatment logics, storage times and security measures

The treatment is also carried out with the aid of electronic or automated means and is carried out by the company and / or by third parties whose Company can use to store, manage and transmit the data. Data processing will be carried out with the logic of organization and processing of your personal data, also related to the originated logs

from accessing and using the services made available on the web, products and services used related to the purposes above

indicated and, in any case, in order to guarantee the security and confidentiality of the data. Personal data will be processed

kept for the time prescribed by the regulations in the applicable time.

Always with regard to data security, in the sections of the website set up for particular services, where personal data are requested from the user, the data is encrypted using a security technology called Secure Sockets Layer, abbreviated to SSL. SSL technology encodes information before it comes exchanged via the Internet between the computer of the user and the central systems of the company, making them incomprehensible to the non

authorized and in this way guaranteeing the confidentiality of the information transmitted; moreover the transactions carried out

using electronic payment instruments are made using the Supplier's platform directly

of payment services (PSP) and Company retains only the minimum set of information needed to manage any complaints. Precisely with reference to the personal data protection aspects, the user / client is invited, pursuant to the law

art. 33 of the GDPR to report to the Company any circumstances or events from which a potential can derive "Violation of personal data (data breach)" in order to allow an immediate evaluation and adoption of any actions to counter this event by sending a notice to amministrazione@papifabio.com or by contacting the Customer care. The measures adopted by the Company do not exempt the Customer from paying the necessary attention to the use,

where required, password / PIN of adequate complexity, which will have to be updated periodically, especially in the case

he theme have been violated / known by third parties, as well as carefully guard and make inaccessible to third parties in order

to avoid improper and unauthorized use.

Cookies

A cookie is a short string of text that is sent to your browser and possibly saved on your computer (in alternative on your smartphone / tablet or any other tool used to access the Internet); such sending occurs generally every time you visit a website. Company uses cookies for different purposes, in order to offer you a fast and secure digital experience, for example, allowing you to keep your connection to the protected area active while browsing through the pages of the site.

Cookies stored on your terminal can not be used to retrieve any data from your hard disk,

transmit computer viruses or identify and use your e-mail address. Each cookie is unique in relation to browser and device used by you to access the Website or use the Company App. In general, the purpose of the cookies is to improve the functioning of the website and the user's experience in using it, even if cookies can be used to send advertising messages (as specified below). For more information on what are cookies and how they work, you can consult the website "All about cookies" <http://www.allaboutcookies.org>.

Areas of communication and data transfer.

For the pursuit of the aforementioned purposes, the Company may communicate and have the data of personal users/customers processed in Italy and abroad to third parties with whom we have relationships, where these third parties provide services at our request. We will provide these third parties with only the information necessary to perform the requested services taking all measures to protect your personal data. Data may be transferred outside the European Economic Space. If this is necessary for the management of your contractual relationship. In this case, to the recipients of the data will be imposed obligations of protection and security equivalent to those guaranteed by the owner. In case of use of services offered directly by Partners we will provide only the data strictly necessary for them performing. In any case, only the data necessary for the achievement of the intended purposes will be communicated applied, where required, the guarantees applicable to transfers of data to third countries. We could also make known the personal data to our suppliers of commercial services, for marketing reasons, for this purpose appointed external managers of treatment. Furthermore, personal data may be communicated to the competent public bodies and authorities for requirements for compliance with regulatory obligations or for the ascertainment of responsibilities in the case of computer crimes damage to the site as well as communicated to, or allocated to, third parties (as managers or, in the case of suppliers) of electronic communication services, autonomous owners), who provide computerized and telematic services (eg hosting, management and development of websites) and of which the Company avails itself for the performance of tasks and activities of a nature also technical and organizational instrumental to the operation of the website. The subjects belonging to the above categories reported as separate Data Controllers or as Managers appointed by the Company for this purpose. Personal data may also be known by Company employees / consultants who are specifically instructed and appointed Persons in charge of processing. The categories of recipients to whom the data can be communicated are available by contacting the Company at the addresses indicated below.
