**ULTRAFINE MERINO WOOL  
RWS - NO MULESING**

La valorizzazione delle Fibre Naturali è tratto distintivo di **PAPI FABIO** all'insegna della sostenibilità come emblema del nuovo lusso.

Questi filati sono sottili e preziosi, permettono di realizzare capi dalla leggerezza unica che esprimono il mood della maglia contemporanea: "super-soft" e "seasonless".

Realizzati con esclusive lane merino ultrafine certificate anche **RWS** e **Mulesing Free**.

**RWS** (Responsible Wool Standard) promosso da Textile Exchange è uno standard indipendente, il cui protocollo garantisce il completo controllo delle materie prime e certifica che la lana impiegata provenga solo da fattorie dove l'allevatore tutela sia il territorio che la salute ed il benessere degli animali; in questi ambienti protetti è tassativamente esclusa la crudele azione del Mulesing. "**Mulesing Free**" è certificato "cradle to cradle".

Tutto in completa trasparenza della supply chain con un sistema di tracciabilità integrato.

Noi di **PAPI FABIO** ne garantiamo lo stile e la qualità.
